

COMACCHIO GEO 205

COMACCHIO GEO 205

The Comacchio Geo 205 is a narrow yet powerful drill with an extremely light footprint. Its small size and lightweight frame make it the ideal drill for projects where site impact and access difficulties are of importance.

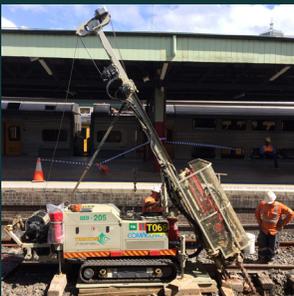

The Comacchio Geo 205 is fitted with automatic rod-breakout, multiple emergency stops and a safety cage with electronic-hydraulic override for rotation cut-off to ensure crew safety.
